

Altar Flowers

Did you know, the altar flowers are a self-sustaining ministry – meaning that there is no money in the church budget to purchase the weekly flowers that so beautifully adorn our altar area. The flowers, which cost \$78 per week, are paid for solely by parish donors who wish to honor loved ones, or to thank God for specific blessings. On Sundays, the flower donors are recognized in the worship sheets and the flowers are then given to parishioners who are ill or shut-in, or they are given to someone in thanksgiving for leading special projects or events throughout the parish.

You can participate in this ministry by filling out the information below and making a payment of \$35.00. Please turn it in to the Parish Office.
